Assigning a small town it is apprehended that there will be no inconvenience after the persons are used to the number but especially the case may be settled when reference to the permanent recurring charge on the strength of saving in one year.

Sir

I have the honor to State that
the Municipal Board of the Periyapatna town
have passed a resolution to the effect
that it is very necessary to entertain
two Scavengers to cleanse public
latrines in the Municipality

There are 8 Sweepers

3 on Rs 5/- and 5 on Rs 4/- for the town of whom 5 are erroneously shown under the head "Scavengers" in the past as well as in the current years budget of the Municipality The mistake will be rectified when submitting the budget estimates for the ensuing year There are actually no Scavengers for the Municipality and the sweepers will not do Scavengering work

Hitherto there were no public latrines in the town and the want was keenly felt by the townspeople The Board being alive to the necessity proposed the Construction of some public latrines Accordingly a/

3

of the last official year, four latrines were built at a cost of Rs 350/- and thus the services of Scavengers as proposed by the Board are absolutely necessary

5. There being no provision in the budget to meet the pay of the proposed establishment, the Vice-President of the Municipality reports that for the present one Scavenger on Rs 8/- may be entertained and that the expenditure met by reappropriation from the Savings likely to be effected under the head "C Public health and Conveniences - 4 c- hire of Carts"

4 In these circumstances, I request that Sanction of Government may kindly be accorded to the entertainment of

of a Scavenger on Rs 8 with effect from 15th December 1910

5. The necessary proforma Statement (Duplicate) and the Board's resolution on the subject are herewith submitted

I have the honor to be,
Sir,
Your most Obedient Servant
K Narayana Rao
for President of Municipality
Chittaloor District
